

Aylestone School Expansion Project

Broadlands Lane, Hereford

School Site in Hereford

Improving and increasing Aylestone School's facilities

Herefordshire Council are submitting expansion proposals to facilitate the growth of Aylestone School from its current 3 form entry to serve 5 forms of entry.

The scheme will ensure there is adequate accommodation for the expanded cohort. The project consists of the refurbishment of 5 spaces within the existing school buildings, including a new Drama space and two Science Laboratories and the construction of a new building incorporating a 3 court sports hall, a music department and 7 general teaching classrooms. The scheme will be designed to be net zero carbon in operation.

Key to Proposals shown below:

- 1 New Building: Teaching & Sports
- 2 Multi-use Games Area (MUGA) refurbished
- 3 Existing Buildings Refurbished & Remodeled
- 4 Car park on site of old tennis court
- 5 New hard and soft social landscape for students on old tennis courts and around new building
- 6 Rounders pitches moved along the field
